[RUSH] MESSAGE:

The Letter dated 2-15-05 is requesting to print an assignee in the application but the request has not been granted. An additional letter was sent out per the 2-21-05 Xrush but there has not been a resolution as of yet. Please advise on the status of the 2-21-05 Letter and how to proceed.

Thank You

TW

[XRUSH] RESPONSE:

The 3/21/05 letter was sent to the wrong address, because the 2/15/05 Power of Atty was not properly entered into the system. A new letter with the assignee data is being sent out.

Applicant has supplied the postal address for all inventors. If a petition is not filed very shortly, patent should be printed w/o assignee data.

INITIALS: ICF

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
